Description of the Europass Mobility experience

21 OBJECTIVE OF THE EUROPASS MOBILITY EXPERIENCE *

The main objective of Erasmus+ Accreditation; It is to promote the values of inclusion, diversity, tolerance and democratic participation in order to strengthen the European dimension of teaching and learning, learn about the European heritage and richness in diversity, and support the development of professional networks across Europe. Within the scope of Erasmus Accreditation, School Education goals are: to increase the quality of education and training processes with the use of innovative technologies and methods, to support the professional development of human capital working in the field of school education in order to ensure innovation in the field of education and increase the service delivery capacity, to diversify educational opportunities in order to raise qualified individuals and to equip students with the skills and competence sets required by the 21st century, promoting equality, diversity, tolerance and active participation throughout the province by ensuring the social inclusion of disadvantaged groups, support the formation of professional networks across Europe by enabling the exchange and transfer of good practices and to be a visible part of this network, to improve foreign language teaching and learning by promoting linguistic diversity and intercultural awareness, supporting the effective use of information and communication technologies throughout the province by promoting digitalization.
